Contributions are not deductible for federal or state income tax purposes. There is no monetary limit on contributions for this election for individuals, political action committees (PACs), partnerships, corporations or other groups. California law requires, for all contributions of \$100 or more in the aggregate during a calendar year, this campaign report the name, street address, occupation and employer for each such donor. Election law states the campaign cannot accept contributions from foreign nationals unless they have permanent residency status in the United States.
